*A Course in Miracles* is a complete self-study spiritual thought system. As a three-volume curriculum consisting of a Text, Workbook for Students, and Manual for Teachers, it teaches that the way to universal love and peace—or remembering God—is by undoing guilt through forgiving others. The Course thus focuses on the healing of relationships and making them holy. Even though the language of the Course is that of traditional Christianity, it expresses a non-sectarian, non-denominational spirituality.
